

SPONSORSHIP OPPORTUNITIES

WOADY YALOAK ATHLETICS CLUB

WOADY YALLOAK ATHLETICS CLUB

For over 25 years, the Woody Yaloak Athletics Club (WYAC) has been a fixture of the community, providing opportunity and encouragement for children and adults to get active and enjoy our terrific local community. WYAC work hard to give as many kids as possible a chance to participate in athletic and cross country events year round, while also encouraging parents to volunteer and be involved in the direction and running of the club.

The purpose of the Woody Yaloak Athletic Club is to develop and improve the athletic techniques, skills and fitness of all athletes. The club emphasises group participation and enjoyment, with, participation over perfection, our focus.

Your generous sponsorship will enable the club to continue to serve the community and provide a friendly, family-focussed club where all participants are valued and given the opportunity for fun, friendship and success in all athletic events.
